Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

Applicants now respond to the Notification of Defective Response mailed on February 3, 2011. First, the Office is authorized to charge the Deposit Account No. 07-1048 for the surcharge fee in the amount of \$130.00. In addition, the Office is authorized to charge any additional fees required to that same Deposit Account.

Also submitted herewith is a replacement sequence listing in a .txt file, in compliance with 37 C.F.R. 1.822, as well as a statement indicating that the replacement sequence listing does not extend beyond the disclosure of the as-filed patent application, and therefore does not introduce new matter.

Moreover, also submitted herewith is a preliminary amendment, directing the entry of the replacement sequence listing.

As such, Applicants respectfully submit that the instant application is ready for substantive examination. The Office is urged to contact the undersigned should there be questions or concerns.

Respectfully submitted,
